www.ictacademy.in/honeywell/launch

Honeywell Centre of Excellence – Student Empowerment Program, was launched in the presence of eminent Industry and Government Leaders. At KLS’s GIT we hereby invite our Chairman, Management Team Members, Principal, HODs of Circuit Branches, Women Faculty Mentors appointed for the program, Faculty Members to be part of this grand inauguration. The purpose of this CSR initiative is to train 5000 Girl students with a global certification course across 4 States – Karnataka, Maharashtra, Tamil Nadu and Kerala.

ICT Academy established Honeywell Center of Excellence for Women Empowerment on Advanced IT Skills by training graduating girl students of final year from ECE, EEE, CSE and ISE Departments. The training on AWS cloud Computing was decided for the students

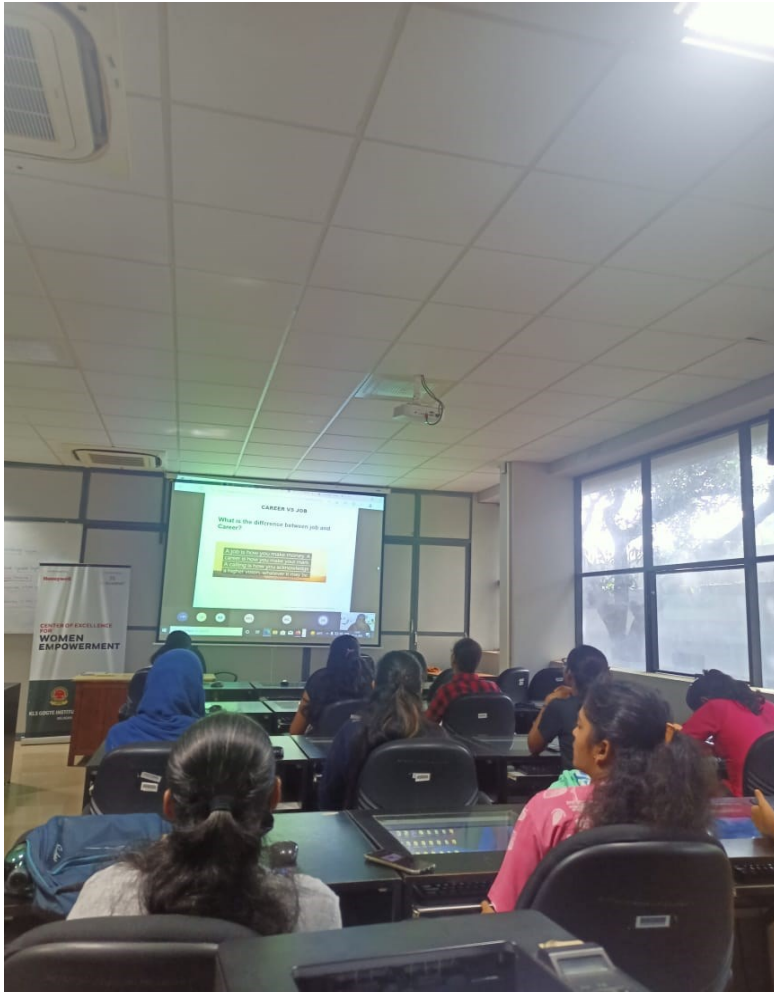

At GIT Centre of Excellence- 145 students have registered from ECE, EEE, CSE and ISE dept for the training program along with 4 Faculty Mentors, Prof. Vani P. Datar(EEE Dept.), Prof. Priyanka D. Joshi(ECE Dept.), Prof. Shubha Sanu(ISE Dept.) and Prof. Amruta Deshpande(CSE Dept).

Date – 27th Nov 2021

The session delivered by Mr. Amol Gandhi (Lead Systems Engineer/Technical Portfolio Owner) on “Decision Making” was very Informative and Interactive. The students were motivated by the talk and discussion on critical decision making by our Logical mind and Emotional mind.

Continued by speaker Mrs. Mythili Kamath (Director - Flight Systems COE, Aerospace) by Honeywell, a session on “Career opportunities in deep core science field” gave wonderful insights to the students. The speaker showed various videos and shared various opportunities which are available in the Industry. The presentation was detailed with lots of facts and information, detailing about the basics and hard work which are definitely useful for a professional career.

Date – 04th Dec 2021

The resource person, Miss. Vijaya Kakumanu (Project Manager) delivered a session on **Story telling (lead by examples)**, and continued with Mrs. Narita Rai (Senior Program Manager) Honeywell, on **Employability to Deployability**. The Speaker discussed about the various examples of Story Telling in Personal and Professional life. Both the sessions was excellent and provided valuable information to the students. The content was relevant and well presented by the eminent speakers.

Some of the key topics covered by the eminent speakers were Industry 4.0, IOT, Artificial Intelligence and Machine Learning, Technologies in Hybrid Power Train.
